New Member Incentive

You are invited to join the Atlantic Therapeutic Touch Network

First time Foundations of TT Therapeutic Touch Students receive a FREE ATTN Membership for the remainder of the current Membership year, but must be requested prior to taking *Transpersonal Nature of TT*; if joining after Sept.1 you receive to the end of the following Membership year.

FIRST time joining ATTN who has taken **Transpersonal Nature of TT**, or **Application of the Inner Process** class in Therapeutic Touch receives a reduced price (\$10.00) off the regular Membership fee = \$35.00
When joining during the year, the fee is prorated to \$3.75 per month from July1st to November 30th.

As a member of ATTN periodically you receive electronically a newsletter/snippets from ATTN (Atlantic Touch) and TTNO (Therapeutic Touch Network of Ontario) "in Touch". We encourage sharing the newsletter at Practice Groups for those without a computer/printer though if that is not possible you may request via Canada Post.

In addition, discounts apply to ATTN members who attend events hosted by ATTN such as the annual ATTN Conference held the last week-end of May. Those in need of financial assistance to defray expenses to attend such events may apply to the BEF (Bertha Ellis Fund) if you are a paid up member of ATTN for a year or more.
