## Trademark Information

The trademark THERAPEUTIC TOUCH® was registered and approved by the Canadian Intellectual Property Office of the Federal Government of Canada, registration no. TMA580182 as of 2003. It is owned by The Therapeutic Touch Networks of Canada (TTNC). As owner of Canadian trademark registration no. TMA580182, the TTNC has the exclusive right under section 19 of the Trademark Act to use, and license others to use THERAPEUTIC TOUCH in Canada.

The trademark protects the practice and modality of Therapeutic Touch, being a “structured and standardized healing practice performed by practitioners trained to be sensitive to the receiver’s energy field that surrounds the body; there are three progressive levels of advancing depth, training and experience; the practice is conducted in a standard sequence of steps by passing the hands over and around the receiver’s body, and by means of compassion and intent attempting to balance and smooth the receiver’s energy field; no touching is required.”

## Policy for Trademark Usage

The Therapeutic Touch Networks of Canada (TTNC), as owner of the trademarked words Therapeutic Touch, authorizes members of Canadian Therapeutic Touch networks to use the words Therapeutic Touch in their practice when they are a member in good standing in the province/territory in which they reside.

A member in good standing is as follows:

- have paid their current annual membership dues.
- have signed the Code of Ethics (or equivalent) and code of conduct required by the Member Network of the province in which they live.
- have taken a minimum Introductory/Foundations Level 1 workshop in Therapeutic Touch.
