

***Therapeutic Touch Workshop
Level One
Krieger Kunz Method***

Pre-requisite: None

Contents of Workshop:

Level 1 Level 1 teaches how to do a Therapeutic Touch® Treatment using the following steps: centering, assessment, clearing the human energy field, grounding and ending treatments. The emphasis will be on learning the basic treatment process and practicing. The goal is to be able to do a competent basic treatment before leaving the class. Background information about Therapeutic Touch, eg. History and the science behind will be interspersed during the day. Therapeutic Touch can be used for healing oneself as well as others.

Workshop Leader: Cherry Whitaker is recognized by the Atlantic Therapeutic Touch Network as both a practitioner and teacher.
