Atlantic Therapeutic Touch Network Event Registration Sheet

Therapeutic Touch Workshop Krieger Kunz Method	
Level:	Professional Development Day - The Healing Moment
Pre-requisite:	Level 1 Therapeutic Touch
Contents of Workshop:	The focus of the day will be developing a shared understanding of what the Healing Moment is and how we know it happens. Dolores Krieger has been writing about the importance of the Healing Moment for years and in her last speech at Congress 2019 asked if TTERS could please work at understanding the capacity of the Healing Moment, and its ramifications for the TTER and more importantly, for the Healing Partner. Come and explore.
