Consent

Participation in any activity carries with it certain inherent risks which vary from one activity to another. **Acknowledgment of participation in the Annual 2019 ATTN Conference by signing below confirms my participation and release of all liability.**

Publication & Privacy Act

I understand that the pictures taken at the Therapeutic Touch® Annual Conference may be used for promotional purposes.

(We collect, use and disclose personal data only in order to better meet your service needs, to ensure the safety of participants, for statistical purposes and to inform you about the Therapeutic Touch® program or service in which you are registered. You may also hear from us periodically about other Therapeutic Touch® programs, services and opportunities that may interest you. We do not share this information with any other party.

I do not want to be part of any promotional materials

I give permission that any picture material of me can be used by ATTN or its affiliations as part of any promotional materials
